

Mammal Poster/Report Project

Guidelines:

- a. Collect pictures of/information about a mammal of your choice
- b. Arrange collected materials neatly/ attractively on standard piece of poster board. Include the following: **name** of the mammal, **picture** of the mammal, its **predators**, its **food source**, its **size**, its **range**, its **habitat**, and its **tracks**, if applicable.

The project will be due Oct. 10, and will be graded as a quiz according to the following criteria:

- a. Is it neat?
- b. Is all information included?
- c. Is everything spelled correctly?
- d. Is it well-planned?
- e. Is it the student's own work?

The project will be presented orally and will receive a separate quiz grade for:

- a. practiced
- b. smoothness
- c. confidence
- d. smile

Note cards can be used, but not read from. Most of all have fun!
